#	STORY	SPRINT	TASK	RESPONSIBLE	DUE	DONE AT	NOTES
1	Understanding previous developements of the project	3	Create a project description explaining each and function of the project done so far.	Michelle Baginski	02/22/2020	02/21-02/22	Shared with team via Google docs
2	Leader Side of the Project	4	**Create the leader screen**, and have it contain 3 buttons - Create Event, Create Questions, and Notify All. Use a good color scheme. *(Refer diagram posted)*	Michelle Baginski	02/28/2020	02/27/2020	
			On the Leader Screen, use one of the 3 buttons to take you to **a new screen of creating event** which contains a place to put your event details, time details, and notify button. *(Refer diagram posted)*	Michelle Baginski	02/28/2020	02/27/2020	
			On the Leader Screen, use one of the 3 buttons to take you to **a new screen of creating questions** which contains a place to put your 3 questions and submit them *(Refer diagram posted)*	Adwait Chavan	02/27/2020	02/27/2020	
			Just for demo purposes, use notify button to take you to a new screen conating a message and send button *(Refer diagram posted)*	Olesia Danchuk	02/28/2020	02/27/2020	
3	Attendee Side of the Project	4	Create and take to the List of Attendees Page from the Attendee button *(Refer diagram posted)*	Adwait Chavan	02/28/2020	02/27/2020	
			Create the 'GoToTeams" button, and take to the Teams Page. *(Refer diagram posted)*	Olesia Danchuk	02/28/2020	02/27/2020	
			Create the "Questions Page" for each team, so that they can play the game. *(Refer diagram posted)*	Ryan Gaul	02/28/2020	02/27/2020	
			Create the Actual "Answer to the Question" Page for each question, with a Textfield to create answers and the "TRACE MY LOCATION" button. Finally, also the submit button to go back. *(Refer diagram posted)*	Ryan Gaul	02/28/2020	02/27/2020
